WELCOME MESSAGE

Haris Pavletic
President of EUSA

It is with great pleasure and appreciation that I extend a warm welcome to all our Organising Committees, athletes, partner universities, and member and associated institutions across Europe. As we open another exciting chapter in the European University Sports Association's journey, I want to express sincere gratitude for the commitment, energy, and collaboration you continuously bring to our shared mission. Your involvement remains the foundation of every successful event, initiative, and milestone we achieve together.

Thanks to your trust and dedication, the European Universities movement continues to grow and thrive. Whether you are hosting a Championship, supporting student-athletes, or participating in our educational and social responsibility projects, your contributions are shaping the future of university sport in Europe.

Our collective successes, ranging from the record-breaking European Universities Games to the expansion of our Associated Members network, stand as a testament to the strength of our community. This progress would not be possible without your ongoing partnership and the spirit of cooperation that unites us.

Looking ahead to the 2025 European Universities Championships and beyond, I am confident that, together, we will continue to deliver meaningful experiences for students, foster lasting international connections, and inspire the next generation through sport.

I invite you all to join us in celebrating the 2025 European Universities Championships and to prepare for the 2026 European Universities Games in Salerno, Italy. These events promise to be even more inspiring as we strengthen the role of university sport in promoting inclusion, excellence, and intercultural dialogue across Europe.

Our achievements are, as always, the result of collective dedication. My heartfelt thanks go to our Member Federations, Organising Committees, volunteers, partners, and the EUSA staff for their commitment and enthusiasm. I also extend special appreciation to FISU and the European Commission for their continuous support, enabling us to expand our impact year after year.

Thank you for being an integral part of the EUSA Family. The Championships offer us an opportunity to recognise and celebrate our joint accomplishments. Let us make 2025 another landmark year for university sport and pave the way for many more to come!

WELCOME MESSAGE

Massimo Zanotto

President of the Organizing Committee

It is with profound joy and sincere gratitude that I extend my greetings to all the athletes, coaches, managers, and guests attending the European Universities Winter Championships— an event that CUS Venezia is honored to organize under the distinguished patronage of EUSA, the European University Sports Association.

Welcoming you to Val di Zoldo, in the vibrant heart of the Dolomites between the majestic peaks of Pelmo and Civetta, means inviting you into an experience that goes far beyond the competition itself. These mountains, rich in beauty and history, evoke genuine emotions and give every sporting gesture a deeper meaning. It is within this unique setting that we wish to celebrate not only athletic performance, but also cultural exchange, mutual discovery, and the strength of the values that unite the university sports community.

My heartfelt thanks go to the Ministry of Sport, the Veneto Region, the Province of Belluno, the Municipality of Val di Zoldo, Val di Zoldo Funivie and the local Tourism Consortium, as well as to the companies whose support has made it possible to create an event capable of leaving a lasting impression. Their commitment—together with the dedication of EUSA, FederCUSI, our partners, and the many volunteers involved—has been essential in bringing these extraordinary days to life.

But my warmest thoughts are for the student-athletes, the true protagonists of this adventure. Your passion, courage, and dedication are the beating heart of these Championships. It is thanks to you that sport continues to be a universal language capable of uniting and inspiring.

May this event, set against the magnificent backdrop of the Dolomites, offer each of you an intense experience filled with emotion, friendship, and memories that will stay with you for years to come.

Welcome to Val di Zoldo. May your journey among these mountains be as bright as your aspirations. Enjoy the Championships!

WELCOME MESSAGE

Antonio Dima
President of the FederCUSI

It is with great enthusiasm that I extend my warmest welcome to all student-athletes, the Organizing Committee, and the Officials participating in the European Universities Winter Championships 2025.

It is an honor to see this prestigious event returning in Italy to Val di Zoldo for its second edition, organized by CUS Venezia under the esteemed patronage of EUSA. The unique charm and hospitality of this territory, nestled in the magnificent Dolomites, make it the ideal setting for an international celebration of university winter sports.

Italy has always played a central role in the European university sports movement, and FederCUSI — The Italian University Sport Federation — is proud to contribute to its growth by promoting values, projects, and collaborations that strengthen the unity of our country. In 2025, this commitment has been demonstrated through the successful organization of major EUSA events across Italy — from the European Universities Championship Football in Camerino, to the European Universities Championship Basketball in Bologna, to the European Universities Championship 3x3 Basketball in Salerno — and continues as we look ahead to the European Universities Games Salerno in 2026. In this context, the exceptional competence and professionalism of CUS Venezia, expertly guided by Federal Board member Massimo Zanotto, represent an undeniable asset, ensuring a high-quality event capable of welcoming teams from across Europe with efficiency, passion, and dedication.

The European Universities Winter Championships represent much more than a sporting competition. They embody the very essence of university sport as a powerful tool for inclusion, brotherhood, and peace, capable of bringing together young student-athletes from different nations and cultures through fair play, mutual respect, and the shared joy of sport.

This event is the result of months of hard work, enthusiasm, and collaboration, and I am certain that the unique atmosphere of Val di Zoldo and the spectacular Dolomites will contribute to making this experience truly unforgettable. May the competitions be conducted with fairness, may the spirit of sportsmanship always prevail, and may each of you fully enjoy this special week together among these extraordinary mountains.

I wish all participants the best of sportive luck for the results in the games and for their future.

ORGANIZING COMMITTEE

CUS Venezia A.S.D., affiliated with FederCUSI, has been continuously promoting sporting activities since 1949, ranging from motor and recreational sports to high-level competitive events. Each year, the CUS involves a large number of participants (around 3,000) through various forms of engagement which, thanks to their steady development, have given the organization a significant presence and influence within the Veneto sports community. Over the years, this growth has strengthened our know-how and organisational capacity, establishing CUS Venezia as a reliable institution and an important point of reference—both for local authorities, with whom we maintain effective collaborative relationships, and for official sports bodies such as CONI and the National Sports Federations.

CUS Venezia A.S.D. also boasts extensive experience in organizing major sporting events, either independently or in collaboration with Federations and Sports Associations.

Our organizational experience includes:

- National University Winter Championships: 1993, 2018, 2019, 2021, 2022, 2023, 2024
- National Spring University Championships: 1982 (Venice) and 2007 (Jesolo – VE)
- University World Handball Championships: 2008 (Jesolo)
- International Athletics Meetings from 1978 to 1983, featuring some of the world's greatest athletes, including Mennea, Dorio, and Simeoni
- EUSA Winter Games: 2023

We have also collaborated in the organization of:

- The 1978 Volleyball World Championships, in partnership with FIPAV
- The Italian Beach Volleyball Championship Finals (2001 and 2002), and the Men's Coppa Italia Finals (1992) and Women's Coppa Italia Finals (2002), together with the Men's and Women's Volleyball Leagues
- Venicemarathon, supporting the organization of every edition from 1986 to the present

CO-ORGANIZERS

**FEDERAZIONE
ITALIANA
DELLO
SPORT
UNIVERSITARIO**

The Italian Federation of University Sports (FederCUSI), formerly known as the Italian University Sports Centre (CUSI), is a National Sports Federation recognized by CONI. The State has entrusted it with the responsibility of promoting, developing, and enhancing physical education and sports activities for Italian university students.

To fulfil this mission, a University Sports Centre (CUS) is established in every Italian university city. Each CUS operates with managerial and administrative autonomy and is responsible for managing university sports facilities, organizing courses, championships, and other activities held either on campus or in external venues, all aimed at achieving the institution's educational and sporting objectives.

Each CUS reports to a University Sports Committee, established at every university. This committee includes two student representatives, two representatives of FederCUSI, the university's Administrative Director, and the Rector, who serves as its chair.

FederCUSI oversees national university sports activities, including the National University Championships (CNU) in various disciplines, as well as international activities. In collaboration with the relevant National Sports Federations, it coordinates the selection and preparation of the teams representing Italy at the University World Championships and the Universiades—an event comparable to the Olympic Games, reserved for university athletes.

The Italian Federation of University Sports is a founding member of FISU (Fédération Internationale du Sport Universitaire), the international governing body that brings together all National University Sports Associations. As such, FederCUSI participates in nearly all events organized by FISU, both in the sporting sphere (Universiades, University World Championships) and in the cultural sphere, through its involvement in conferences promoted by CESU, the body within FISU responsible for defining global strategies and objectives for university sport.

FederCUSI also has an impressive record of hosting international events, having organized four Summer Universiades, five Winter Universiades, and numerous University World Championships across various disciplines.

ORGANIZZAZIONE

GENERAL INFO ABOUT EUSA

About EUSA

The European University Sports Association (EUSA) is an umbrella organization that comprises National University Sports Associations (NUSA) from 47 European countries, providing sporting activities, educational events, and expertise in policy making and programming. The organization is well known within the sector as a safe and strong voice for university sports in Europe, promoting fair play values and supporting their membership by partnering with European Sports Federations and lobbying within the European Union, the Council of Europe, and other institutions for funding to improve the provision of sport. EUSA is a proud and active associated member of the International University Sports Federation (FISU), strategically cooperating also with other Continental University Sports Federations (CUSF), as well as key governing bodies and organisations active in the field of sport, education, and youth.

Since its founding in 1999, EUSA has organised 16 seasons of the European Universities Championships, attracting student-athletes to 204 university competitions held across Europe. In five previous editions of the European Universities Games, around 19.500 student-athletes from across Europe have participated in the different sporting competitions organised during these multi-sports events.

Through its Institute, EUSA also engages in several social responsibility projects and initiatives on various topics, including Anti-Doping, Dual Career, Equal Opportunities and Inclusion, Good Governance, Mobility, Safeguarding, Skills Development, Sustainability, and Volunteering. Many of the projects are supported by the European Union.

EUSA EC, Commission, and Office

Highest body is the General Assembly, composed of representatives of the member associations, electing the Executive Committee. Its members are responsible for the administration and running of EUSA and the execution of main directives taken by the Assembly.

The EUSA Executive Committee is led by the President, Haris Pavletic, 1st Vice President, four Vice-Presidents, Treasurer and Secretary General. Various EUSA commissions are in place to provide assistance and guidance to the many different activities EUSA is involved in. These commissions include the Technical Commission, Control Commission, Education Commission, Inclusion and Diversity Commission, Medical Commission, Student Commission, Branding and Marketing Council and also other working bodies.

EUSA's headquarters is located in Ljubljana, Slovenia, where a dedicated team of 12 staff members plus 4 volunteers/interns work together to manage daily operations and oversee international activities. As part of the European University Sports Association (EUSA), they play a vital role in supporting the development and promotion of university sports across Europe, ensuring smooth coordination of events, effective communication, and strong collaboration among member organizations.

The ski pass is valid for one day and allows movement throughout the SKICIVETTA area for that day.

The cost of a single day ski pass for those who do not book in advance is **€63,00**.

USEFUL INFORMATION

SPORT VENUES PARKING: Piazza R. Balestra 1, 32012 Val di Zoldo (BL)

LOCATION: Piazza R. Balestra 1, 32012 Val di Zoldo (BL)

MEDICAL PLAN: A medical service ensuring coverage throughout the event will be provided with a medical staff from the Organisation Committee. The service will be coordinated by Professor Francesco Bizzarri, who possesses experience and expertise, having participated in various editions of both Summer and Winter Universiades, as part of the CUSI Delegation, as well as around twenty National University Championships and in the first European Universities Winter Championships. During the competitions, the doctors will be assigned to different competition venues.

Law enforcement will handle assistance and any necessary transportation from the slopes to the ambulances. An ambulance will station at the base of the cable car in Zoldo. During rest periods and at night, a doctor dedicated to handling any health issues will be at disposal in each official delegation hotel.

LANGUAGE: Italian is the official language but English is common spoken in tourist areas.

TIME ZONE: Central European Time (CET) / Central European Summer Time (CEST).

CURRENCY AND EXCHANGE RATES: Euro (€). Exchange rates may change.

AVERAGE TEMPERATURE and expected weather during EUC:
Temperature range from -8 degrees Celsius to 8 degrees Celsius.

PHONE CODE (calls from abroad) exit code (calls to homeland): +39 (Italy); Participants should check their country's exit code.

MOBILE BANDS: GSM 900/1800. Check compatibility with your mobile provider.

ELECTRICITY AND PLUGS: 230V, Type F sockets. Bring suitable adapters.

EMERGENCY NUMBERS: Emergency: 112; Police: 113; Medical: 118.

INSURANCE

In case of accident while on lifts or slopes, all skiers holding a valid Val di Zoldo's ski-pass are guaranteed emergency rescue and medical assistance.

This includes:

- immediate rescue by dedicated emergency team
- on-site medical evaluation
- transportation to the nearest hospital by ambulance or helicopter
- emergency medical treatment of the injury

All skiers will be responsible for any damages or injuries caused to third parties. In Italy since 2022 this insurance is mandatory for all skiers.

Skiers may use their own insurance if they have it, or purchase a temporary insurance for the ski-pass duration at **3 euros per day**.

Insurance can be purchased at the skipass office or online at this address
www.24hassistance.com/snowcare

**EUSA Event Services Questionnaire EVENT SERVICES DATA
COLLECTION**

As part of our commitment to continuous improvement, we kindly invite you to complete EUC 2025 Event Services Questionnaire, aimed at evaluating the services provided by the Organising Committee during the European Universities Championships 2025.

Your feedback is vital to helping us enhance the quality and efficiency of future events. The questionnaire will take approximately 5 to 10 minutes to complete. If you choose to include optional comments, it may take up to 15 minutes.

Please note that no personal data is collected, and all responses are anonymous and confidential.

To submit your feedback, please complete the official form via the following link:
<https://shorturl.at/lfMA5>

Alternatively, you may access the form directly by scanning the QR code provided.

**Please note that this document is subject to future updates.
Technical handbooks for each sport will be published and made available in due course.**

WINTER SUSTAINABILITY DECALOGUE

EUROPEAN UNIVERSITIES WINTER CHAMPIONSHIPS – VAL DI ZOLDO

Co-organized by CUS Venezia, Dolomiti UNESCO Foundation, Ministry of Sport

1. Live the winter mountain with respect

The Dolomites UNESCO are a world heritage site: protect snow, rocks, woods, and landscapes by following the principles of the Foundation and the event guidelines.

2. Leave the snow untouched

Avoid leaving the slopes, do not create ruts or damage snow layers, and respect fauna resting areas, particularly vulnerable in winter.

3. Move sustainably

Use shuttles, car-pooling, and public transport: reduce traffic, emissions, and noise in the Dolomite valleys.

4. Reduce waste and litter

Bring water bottles, reusable containers, and correctly dispose of waste and technical materials. In the mountains, waste lasts a long time.

5. Use energy and heating responsibly

In hotels and lodges, limit unnecessary consumption, avoid leaving windows open, and turn off unused appliances.

6. Respect winter ecosystems

Fauna survives winter with limited energy: keep distances, avoid loud noises, and respect sensitive areas indicated by the Organizing Committee and the Dolomiti UNESCO Foundation.

7. Value local culture and economy

Choose local products, craftsmanship, services, and structures applying sustainable practices; support those who live in and protect the mountains year-round.

8. Choose sustainable technical materials

Prefer certified clothing, skis, and equipment that are recycled or low impact, in line with Ministry of Sport recommendations.

**DOLOMITES
VAL DI ZOLDO 2025
EUROPEAN UNIVERSITIES
WINTER CHAMPIONSHIPS**

9. Practice sport with fairness and responsibility

Act according to the values of sport: fair play, safety, cooperation, and mutual care. A sustainable sport protects people, nature, and the future.

10. Become an ambassador of the Dolomites

Spread good practices, join green initiatives and educational programs of the Dolomiti UNESCO Foundation: sustainability begins with everyone.

SUSTAINABILITY DECALOGUE

European Universities Winter Championships – Val di Zoldo

Co-organized by CUS Venezia, Dolomiti UNESCO Foundation, Ministry of Sport

1. Respect the natural environment

Move along marked paths, avoid damaging plants and alpine habitats, and leave no trace of your passage.

2. Reduce waste

Use water bottles and reusable containers. Avoid single-use items and recycle properly in designated areas.

3. Choose sustainable materials

Prefer technical clothing and equipment made from recycled fibers or low-impact materials.

4. Use water responsibly

Water in the mountains is precious: avoid wasting it in showers, taps, and refreshment areas.

5. Opt for cleaner mobility

Prefer shuttles, car-pooling, or shared transport to reach lifts and competition venues.

6. Respect fauna and silence

Limit unnecessary noise and keep distances from wild animals, especially during evening hours.

7. Support local products and businesses

Choose local food and services: value the alpine economy and reduce transport impact.

8. Reduce energy consumption

Do not leave lights, appliances, or heating active without need in accommodation facilities.

**DOLOMITES
VAL DI ZOLDO 2025
EUROPEAN UNIVERSITIES
WINTER CHAMPIONSHIPS**

9. Join the event's green initiatives

Take part in slope cleaning, sustainability workshops, information points, and educational projects.

10. Become an ambassador of the mountains

Promote responsible behavior among athletes, staff, and the public, contributing to a more sustainable event today and in the future.
